### Create a User Account

1 Add Personal Info | 2 Add Secure Access | **3 Add Account to Pay** | 4 Add Payment Method

Enter your Account Number. The account nickname will help you identify your accounts more easily. You can add or delete other accounts later.

\* Indicates required field

Child's Name \*

Parent Name \*

Account Nickname \*

Finally, if you want to save information on the bank account or credit/debit cards you will use to make payments, click "Save and Continue". If you don't want to save payment information in your account, click "Save Account".

[Save and Continue](#)

[Save Account](#)

On this screen PLEASE be sure to enter your child's first and last name as well as your first and last name. This information is how we attach your payment to your child's records.

From here you will enter whichever payment method(s) you want to store and use for payments –

1 Add Personal Info | 2 Add Secure Access | 3 Add Account to Pay | **4 Add Payment Method**

Saving a payment method in your account is optional, but will save you time when making payments. The nickname will help you identify your payment methods more easily. To make changes, click "Previous". Do not use your browser Back button.

\* Indicates required field

Payment Method \*  
 Credit Card     
 Debit Card    
 Bank Account 

Card Number \*

Card Expiration Date \*

ZIP/Postal Code \*

Payment Method Nickname \*

**That's it!** After you click "Save", you will be directed to your Account Home and can add other payment methods there.
